

PILOT BIO

Stephen is the owner of East Texas Muscle Cars in Longview Texas where they can modify your car or truck. They do it all! Dyno Tuning, motor builds, paint and body all the way to full Restorations. Look them up on Facebook or online at East Texas Muscle Cars.com.

Not having been raised around Aviation, Stephen's love of flying began at a very young age after watching the movie TORA TORA TORA. Stephen set out to chase his dream and earned his wings in 2001. Stephen would like to encourage anyone with a passion for flight to pursue and make your dreams come true. Visit AOPA or EAA young eagles to learn more.

Stephen would like to thank all the people who make it possible for him to bring his love off flying and the RAPTOR, TO YOU!!!!
